### REMARKS

The Final Office Action indicated that Claims 21-33 and 44-48 were allowed, and that the subject matter of Claims 8-20, 39-41 and 43 would be allowed if rewritten in independent form.

Accordingly, Claim 1 has been amended to incorporate the allowed subject matter of Claim 8 and it is believed that the dependent Claims 2-7, 9-10, 42 and 43 are allowable.

The newly drafted Claim 54 represents the indicated allowed subject matter of Claim 8 and accordingly, it is believed that dependent Claims 11-20 are allowable.

Claim 38 has been amended to incorporate the allowed subject matter of Claim 40 and accordingly, it is believed that dependent Claim 41 is now allowable.

Finally, newly drafted Claim 55 incorporates the allowed subject matter of Claim 39, and it is believed allowable.

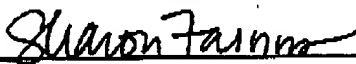

In view of the amendments to the claims to accept the allowable subject matter, we believe the case is now in condition for allowance and early notification of the same is requested.

I hereby certify that this correspondence is being transmitted via facsimile to the USPTO at 571-273-8300 on December 20, 2005.

Very truly yours,

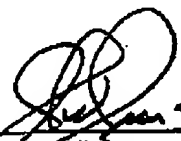

SNELL & WILMER L.L.P.
